LAEDC's 2016-2020 Fall Economic Forecast**

**Event Information**  
**Wednesday, September 30, 2015**  
**7:00am - 11:00am**

**Omni Hotel Downtown Los Angeles  
251 South Olive Street, Los Angeles, CA 90012**

## **Why Attend?**

LAEDC's 2016-2020 Fall Economic Forecast, *"From Boomers to Millennials: The Future of the Urban Environment"* will provide long-range, socio-economic analysis to inform your business decisions and guide regional planning.

**The program will explore what economists & demographers are predicting in various areas including:**

- How will motivational factors for Millennials such as societal impact and their tech-savvy, hyper-connected ways change the urban fabric and business conditions?
- What will baby boomer healthcare & retirement patterns mean to the region and the broader economy, and how will business respond?
- How will the market forces and generational shift affect our future urban environment, workforce and the key industries in our region?
